PRIMARY HUMAN AURA OF LIFE SYSTEM

This picture shows the primary aura of human life.

Beginning (0) limit: H0-neutron 1-void

Ending (1) limit: proton 0-void

THIS IS YOUR "CREATIVE PRINCIPLE"

Middle A: 1 solid living electron **body** 1/4th (your vehicle on "Earth")

2 liquid living energy **soul** 1/3rd (who you are in "Heaven")

3 gaseous impersonal living **spirit**, "mind" or "consciousness" 4/5th (who you will be in "Paradise")

Middle B: 1 solid living electron **body** 1/4th (your vehicle on "Earth")

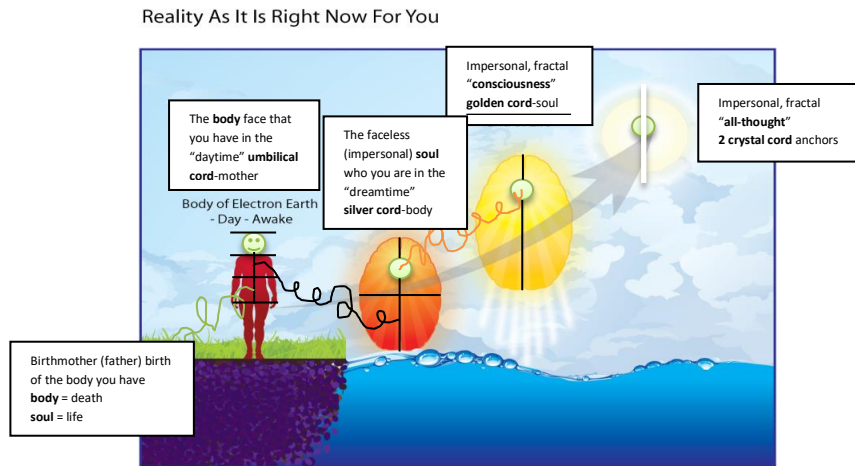

2 gaseous personalized living **light spirit**, "mind" or "consciousness" 4/5th (who you are in "Paradise")

Middle A belongs to an "earthling" body of mineral and bacteria, plant and tree, animal and human occupied by an evolving soul of planet Earth's system of Life.

Middle B belongs to a higher soul or flying spirit, who has been chosen to help awaken, expand or shape the planetary consciousness towards the soul reality consciousness, which is the next stage of planet Earth's evolution. Planet Earth will become a full-fledged soul planet.

PRIMARY HUMAN AURA PARTS AND THEIR CONNECTIONS

When you pull the aura parts apart you can see how everything is connected. The impersonal or non-personalized "all-thought" or "proton void" at the end of the human aura system is connected to the centre of the faceless "head" of your "consciousness", centre of the faceless "head" of the soul who you are and the centre of the "head" (chiasma opticum) of the human body "face" that you have through the 2 crystal cords. They come in through the top of the head and anus and end in the H₀-neutron anchoring centre. The crystal cords end at the proton-photon-H₀-neutron complexes of all molecules and begin at the living proton void, which lies at the end of your aura system.

The impersonal or non-personalized "consciousness" or "living light" or "mind" in the human aura system is connected to the centre of the faceless "head" of the soul who you are through the golden cord. **The human body has no "consciousness"**. The golden cord ends at the proton-photon-H₀-neutron complexes of all molecules and begins at the "consciousness" or "living light" or "mind" in your aura system.

The centre of the "chest" of the soul who you are is connected to the centre of the "chest" of the human body you have through the silver cord. The soul who you are gives "life" to the body you have. **The human body is not alive.**

The centre of the abdomen (jejunum) of the body that you have was connected to the uterus placenta of your birthmother (father), who gave birth to your body.

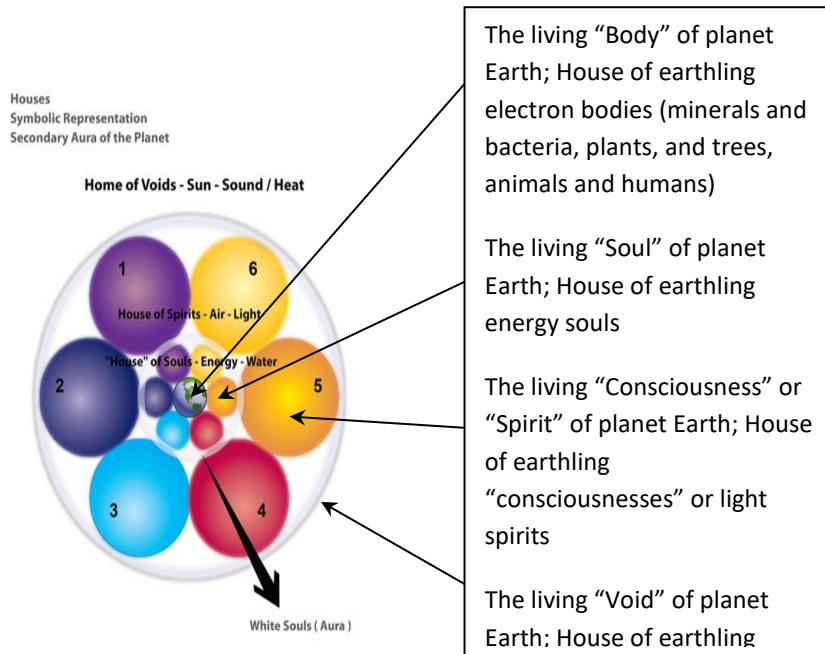

The crystal cords are your solid up-down (back-forth and right-back) anchors. The golden and silver cords are "spaghetti-like" cords like the umbilical cord. All the cords will break off at the moment of the physical death (First Death). This is different from the soul's death (Second Death).

This picture shows the breakup of the body, soul, its "consciousness" and void through the break off of the silver, golden and crystal cords after the occurrence of the physical human death. You can see here that the soul who you are and its "consciousness" or "mind" in the human aura system, are fractal. The soul who you are releases its "vehicle" or "body", which returns to the earth element from where it came. The soul separates from its human body and comes out through the top of the head when the silver cord breaks off. The soul who you are returns to an in between way- or sub-station in "Heaven on Earth" or soul collection place according to the color of your aura

system. Your fractal “consciousness” or “mind” separates from the soul who you are and returns to a special place in “Paradise on Earth” for the time being until you finish the “human being” degree.

SECONDARY PLANETARY AURA OF LIFE SYSTEM

This picture shows the secondary aura of Life of planet “Earth”, which lies in the centre. The in-between way- or sub-station of “Heaven on Earth” lies in the middle ring. “Paradise on Earth” lies in the outside ring. “HOMECOMING” or becoming an IMMORTAL lies on the outside.

You have reached the ultimate Goal of Eternal Life

This is the total thought-plate

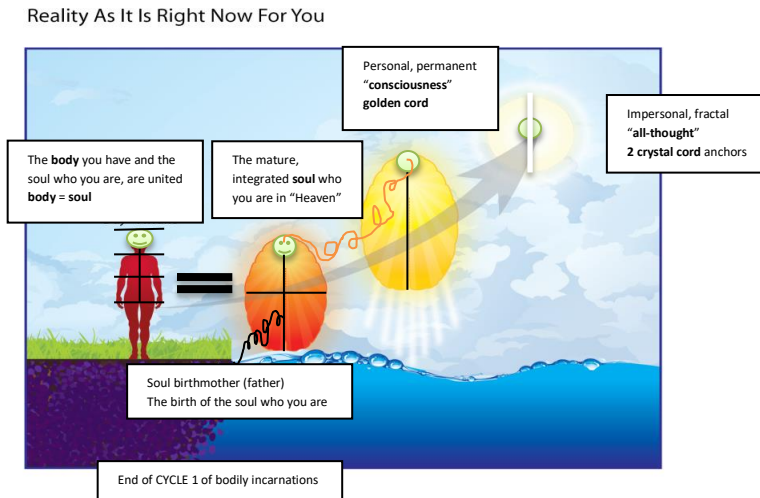

Evolution Map of Creatures: Total Thought-Plate

You fill in the thought-plate in your own unique as an evolving winged energy soul being (medium). All souls follow this thought-plate blueprint. The Cycle 1 bodily incarnations of

mineral and bacteria, plants and trees, animals and humans are compulsory degrees. You have no choice in the matter. The Cycle 2 soul and Cycle 3 spirit are optional degrees.

Effect of human enlightenment, soul consciousness and transformation; ending of Cycle 1 bodily incarnations

The mature, integrated soul who you are has an eternal name, a face, a personality identity and a permanently personalized "consciousness" or "mind" now. **THIS IS THE FUNCTION OF HUMAN LIFE!**

THIS IS THE SOUL-BODY TRANSFORMATION

The body that you have is united with the soul who you are. You can be either a body in the dimension of Space-Time or planet "Earth" or a soul in the dimension of Time or "Heaven".

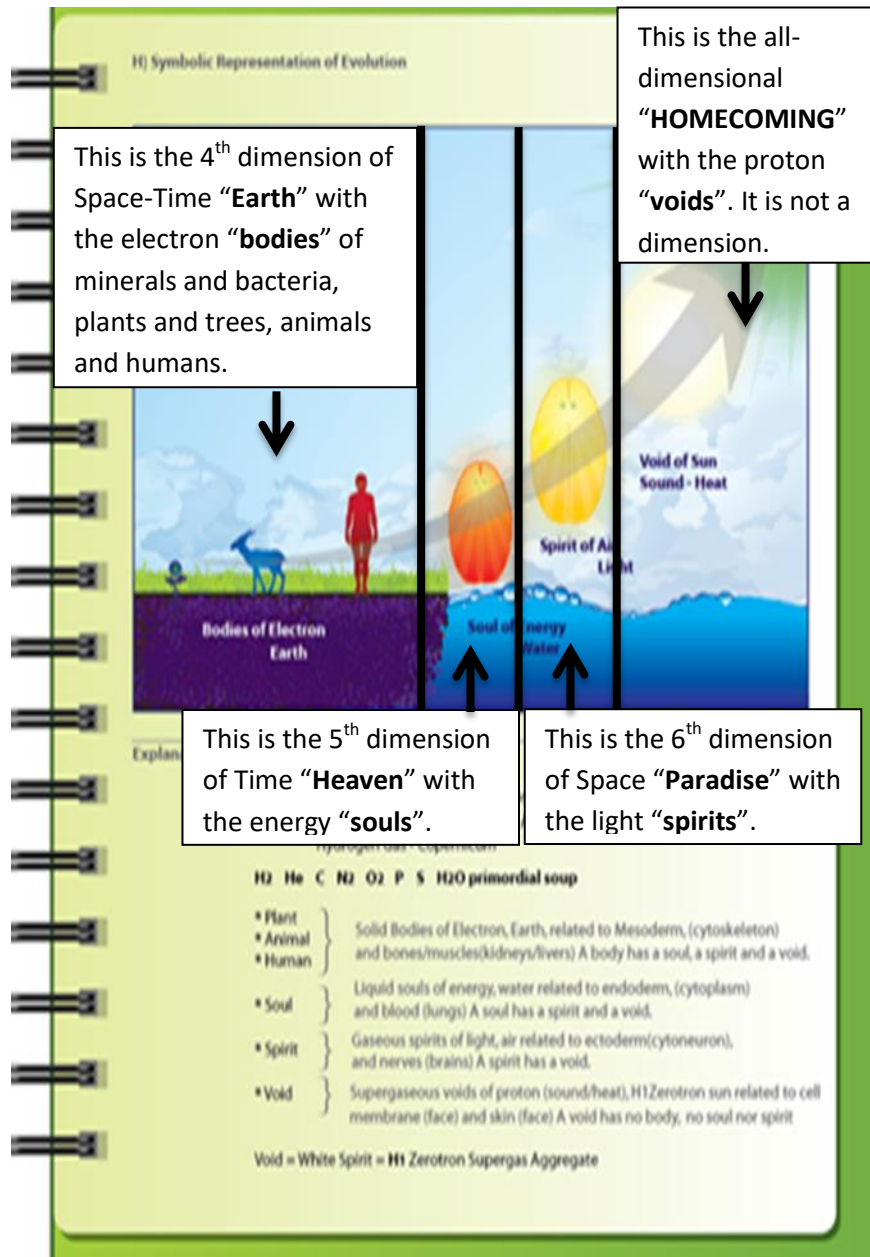

MESSAGE: Choose to live an enlightened, good life; choose to be an enlightened person, which is to be GOOD and to do GOOD deeds and actions mixed with random acts of GOODNESS and KINDNESS. Choose to be soul consciousness. You are an evolving soul going through the human being degree. You are a soul. You have a body. You are NOT human.

ACTION: Do it, live the enlightened, good life. Be the enlightened, good person. Be the best person you can be. Live your best-life-scenario no matter what your situation is or your circumstances are. Learn to know yourself and your human life. Learn to love yourself and your human life. Learn to know and love yourself as an evolving soul.

RESULT: You will obtain a white aura system through the choice of human enlightenment and soul consciousness. You will reach soul integration and maturation. You will start the process of body-soul transformation. The body and soul will unite. You will finish and STOP cycle 1 of bodily incarnations. You will reach true realization or actualization. YOU WILL BE FREE. YOU WILL BE LIBERATED. This is why you live the human lives. YOU WILL BE A SOUL. Planet Earth will be a SOUL PLANET, where souls are the highest lifeforms on Earth and live amongst the humans, animals, plants and trees, bacteria and minerals.
